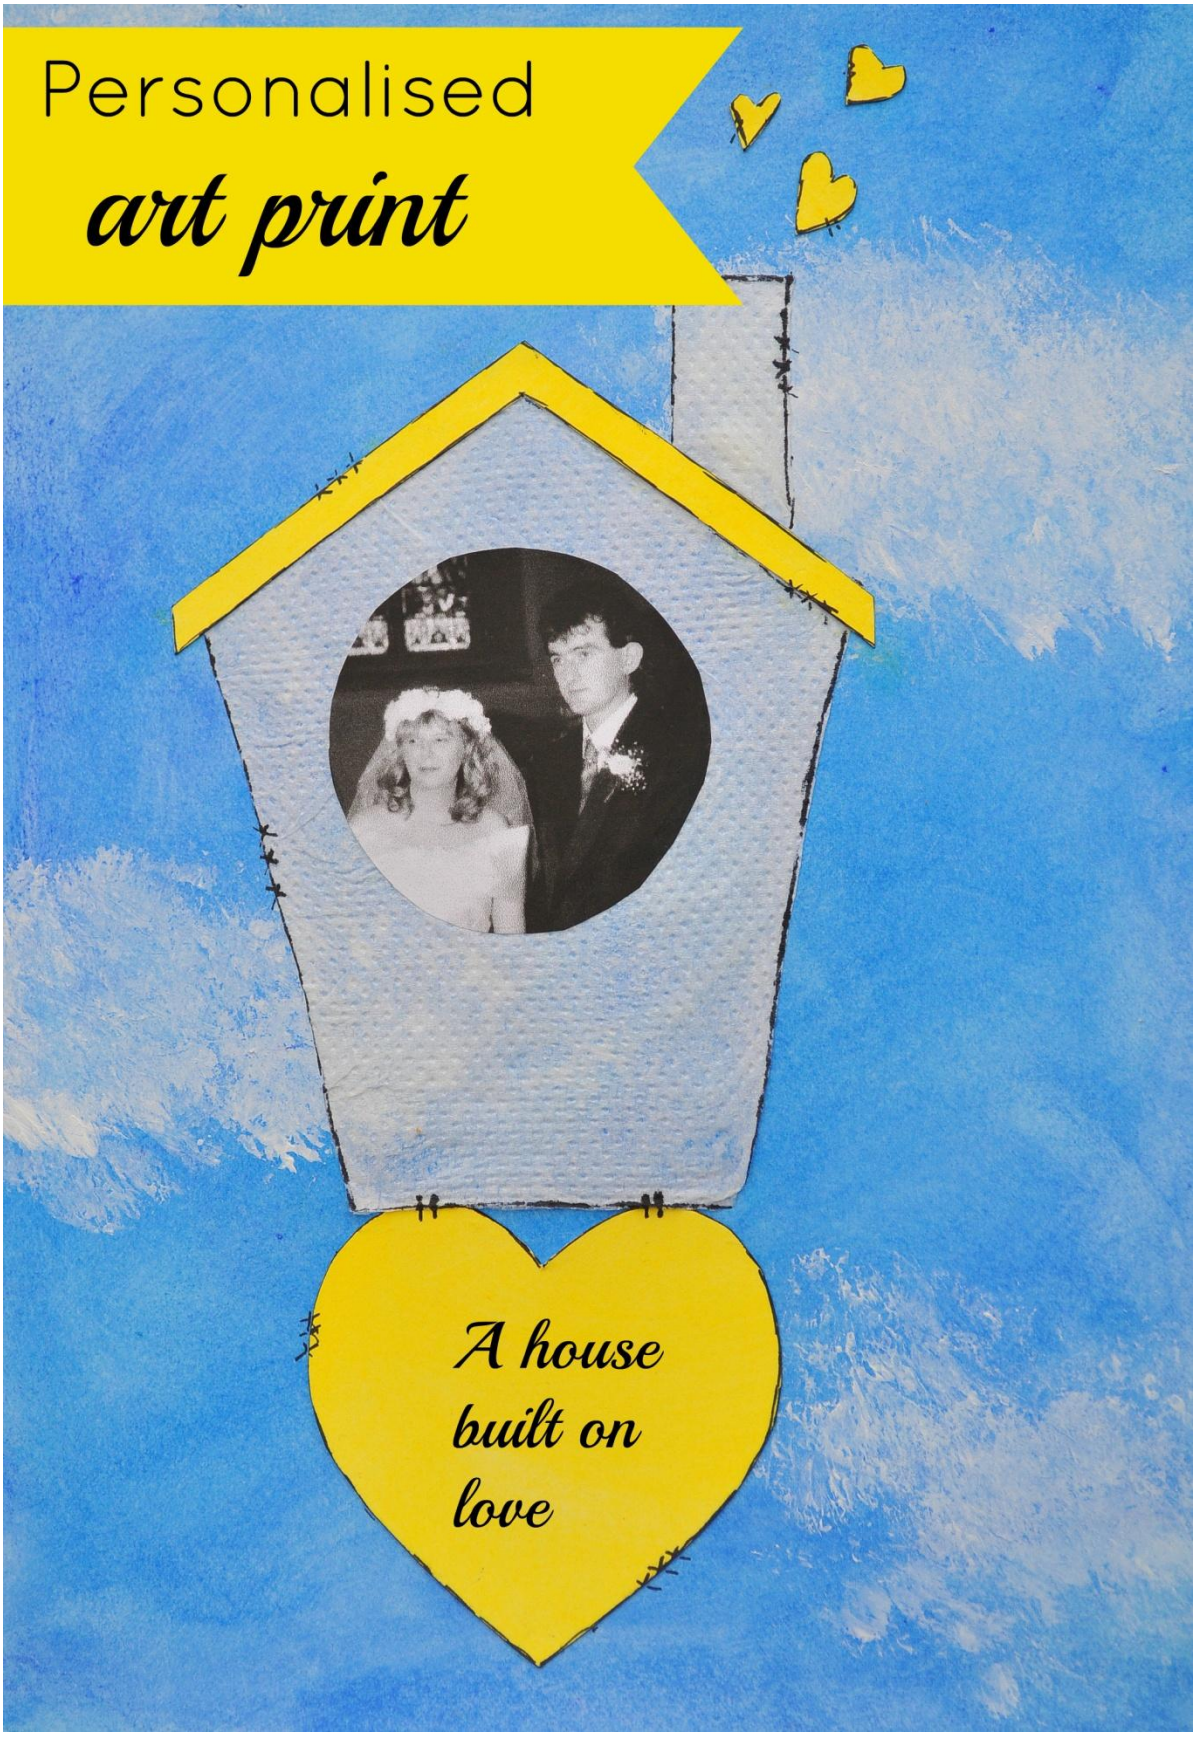
Personalised

art print



Thank you so much for downloading this personalised art print from Artfully Carin. If you want to make it truly your own, here's how's to do it.

1. Save the picture below to your pictures.
2. Open in your favourite photo editing program. Add text of your choice to the heart. If your photo editing program allows you to, add a round photo to the bird house. If it doesn't, see number 4. Save.
3. Print
4. Cut out a round photo using a stencil or similar. Glue onto picture. Enjoy.
